

TENNESSEE DEPARTMENT OF

EDUCATION

FIRST TO THE TOP

Teaching as a Profession II (TAP II)

Primary Career Cluster:	Education and Training
Consultant:	Deborah Thompson, (615) 532-2840, Deborah.Thompson@tn.gov
Course Code(s):	6125
Prerequisite(s):	<i>Early Childhood Education Careers II</i> (6016) or <i>Teaching as a Profession I</i> (6010)
Credit:	1
Grade Level:	11
Graduation Requirements:	This course satisfies one of three credits required for an elective focus when taken in conjunction with other Education and Training courses.
Programs of Study and Sequence:	This is the third course in both the <i>Teaching as a Profession</i> and <i>Early Childhood Education</i> programs of study.
Aligned Student Organization(s):	Family, Career and Community Leaders of America (FCCLA): http://www.tennesseefccla.org/ Brandon Hudson, (615) 532-2804, Brandon.Hudson@tn.gov
Coordinating Work-Based Learning:	Teachers are encouraged to use embedded WBL activities such as informational interviewing, job shadowing, and career mentoring. For information, visit http://tn.gov/education/cte/work_based_learning.shtml .
Available Student Industry Certifications:	None
Dual Credit or Dual Enrollment Opportunities:	There are currently local dual credit opportunities with specific community colleges, including Roane State Community College.
Teacher Endorsement(s):	050, 051, 154, 450
Required Teacher Certifications/Training:	None
Teacher Resources:	http://www.tn.gov/education/cte/EducationTraining.shtml

Course Description

Teaching as a Profession II (TAP II) is an applied-knowledge course for students interested in learning more about becoming a teacher, school counselor, librarian, or speech-language pathologist. This course covers classroom management, concepts of higher order thinking, differentiating instruction, and strategies of effective classroom planning. Students in this course will demonstrate their skills in laboratory settings while building a course portfolio of work, which will carry with them throughout the program of study. Upon completion of this course, proficient students will be prepared to take the

capstone *TAP III* course and further their studies at the postsecondary level. Standards in this course are aligned with Tennessee State Standards for English Language Arts & Literacy in Technical Subjects and Tennessee State Standards in Psychology and Sociology, as well as National Standards for Family and Consumer Sciences Education, Second Edition.*

Program of Study Application

This is the third course in the *Teaching as a Profession* and *Early Childhood Education* programs of study. For more information on the benefits and requirements of implementing these programs in full, please visit the Education & Training website at <http://www.tn.gov/education/cte/EducationTraining.shtml>.

Course Standards

Classroom Management and Environment

- 1) Research common reasons for student disobedience (such as unclear expectations, desire for attention, fear, embarrassment, or lack of basic needs) and develop a written behavior policy with clear positively-framed expectations and consequences, citing evidence from research to justify recommendations. (TN Reading 1, 5; TN Writing 2, 4, 7, 9)
- 2) Interview one or more experienced primary and/or secondary teachers and synthesize findings to create a checklist for performing classroom procedures and for responding to emergency situations. The checklist should include, but is not limited to: appropriate daily procedures, recognizing possible child abuse and neglect, defusing violent behavior, and responding to fire or natural disaster emergencies. (TN Writing 2, 4; FACS 4)
- 3) Research the correlation between classroom layout and effective classroom management. Compare the use of furniture and space in several classrooms and analyze their compliance with both research-based recommendations for effective classroom management and legal requirements for safety. (TN Reading 1, 8, 9; TN Writing 7, 9; FACS 4)
- 4) Drawing on evidence from research, create a rubric for evaluating the establishment of a positive classroom environment. Include indicators such as visual appearance of the classroom, effective time management, student engagement, and teacher interaction with students. (TN Reading 1, 3; TN Writing 2, 9; TN Psychology 47; TN Sociology 15, 20; FACS 4)

Teaching for Higher Order Thinking

- 5) Investigate theories (such as those proposed by Benjamin Bloom, Robert Marzano, and Norman Webb) on instructional strategies and activities that promote the development of higher level cognitive skills. Create and annotate a graphic illustration aligning Webb's Depth of Knowledge and/or Bloom's Taxonomy with teaching methods at each skill level. (TN Reading 1, 2, 5, 7; TN Writing 2, 4, 8, 9; TN Psychology 38; FACS 4, 12)
- 6) Research various reflection strategies and make a claim about how reflection strategies influence academic achievement and student understanding. Develop claim(s) and counterclaim(s) about the relationships between the use of reflection strategies, improvement

of student understanding and academic achievement, with reasoning and evidence from texts. (TN Reading 1, 6; TN Writing 1, 4, 7, 9; FACS 4, 12)

- 7) Gather research on the major elements of successful cooperative/collaborative learning and their relationship to higher order thinking skills. Design small group instructional activities incorporating those elements. (TN Reading 1, 2; TN Writing 2, 4, 7, 9; FACS 4)

Differentiating Instruction

- 8) Define differentiated instruction. Citing specific textual evidence about characteristics of certain learners, create examples of instructional methods that differentiate instruction to meet the educational needs of students based on:
 - a. Language
 - b. Culture
 - c. Socioeconomic status (SES)
 - d. Educational background
 - e. Preferred learning style
 - f. Gender
 - g. Ethnicity
 - h. Religion(TN Reading 1, 4, 9; TN Writing 2, 4, 9; FACS 12)

- 9) Discuss and demonstrate modifications in the classroom to accommodate exceptional learners, including students with disabilities and those identified as gifted, citing specific textual evidence from research on effective teaching practices. (TN Reading 3; TN Psychology 66, 70)

Planning for Instruction

- 10) Investigate relevant national and state curriculum standards, and explain how they help guide teaching in order to affect learning. (TN Reading 1, 6)
- 11) Working collaboratively in pairings or small teams, gather and analyze Tennessee course content requirements in different subject areas and grade levels. Compare and contrast examples of student learning objectives and performance indicators from different subject areas and grade levels. Analyze the extent to which each provides teachers with necessary expectations for instruction. Choose a specific standard to rewrite for clarity and measurability. (TN Reading 9; TN Writing 2, 4, 5)
- 12) Drawing evidence from academic research, create a rubric for evaluating and selecting textbooks, materials, and technology resources. Examples of criteria to be analyzed include but are not limited to:
 - a. Reading level
 - b. Content accuracy
 - c. Alignment with content standards
 - d. Visual appeal
 - e. Adaptability for different student populations
 - f. Non-stereotyped representation of groups from different cultures or ethnic backgrounds.

(TN Reading 1; TN Writing 4, 6, 9)

- 13) Conduct a research project on lesson planning in multiple grade levels and subject areas. Identify the typical components of lesson planning documents and create a lesson plan template that incorporates components such as:
- Content-area, Common Core, and 21st Century Skills standards
 - Student learning objectives aligned to standards
 - Materials and equipment needed
 - Instructional activities
 - Pacing chart
 - Accommodations for special needs students
 - Closure/reflection
 - Assessment
- (TN Reading 9; TN Writing 7, 9)

- 14) Research and analyze individual and group teaching strategies. Craft an argumentative essay making a claim about the appropriate strategy for a given situation, developing claim(s) and counterclaim(s) with evidence and reasoning from academic research.
- (TN Reading 1, 2; TN Writing 1, 8, 9)

Final Project

- 15) Apply knowledge from this course by demonstrating specific instructional strategies in a classroom situation. Document artifacts from the capstone project in the course portfolio. Demonstration of knowledge includes, but is not limited to, the following activities:
- Using a lesson plan template to produce effective standards-based, subject-specific lesson plans for teaching students at multiple grade levels
 - Implementing standards-based lessons (created in this course) with small groups, using developmentally-appropriate teaching strategies that promote student learning and higher order thinking skills
 - Selecting and using multiple types of resources and teaching methods
 - Creating a classroom floor plan designed to provide equitable access and maximize learning for all students
 - Evaluating student levels in order to adapt lessons for differentiated instruction
 - Establishing a positive classroom climate

The following artifacts will reside in the student's course portfolio:

- Lesson plans and revisions
- Teaching journal reflecting on lesson effectiveness, positive and negative aspects of the experience, self-assessment, plans for refining instructional practice
- Feedback from supervising teacher
- Revised statement of personal teaching philosophy
- Revised career and professional growth plan

Standards Alignment Notes

*References to other standards include:

- TN Reading: [Tennessee State Standards for English Language Arts & Literacy in History/Social Studies, Science, and Technical Subjects](#); Reading Standards for Literacy in Science and Technical Subjects 6-12; Grades 11-12 Students (page 62).
 - Note: While not directly aligned to one specific standard, students who are engaging in activities outlined above should be able to also demonstrate fluency in Standard 10 at the conclusion of the course.
- TN Writing: [Tennessee State Standards for English Language Arts & Literacy in History/Social Studies, Science, and Technical Subjects](#); Writing Standards for Literacy in History/Social Studies, Science, and Technical Subjects 6-12; Grades 11-12 Students (pages 64-66).
 - Note: While not directly aligned to one specific standard, students who are engaging in activities outlined above should be able to also demonstrate fluency in Standards 3 and 10 at the conclusion of the course.
- TN Psychology: Tennessee Social Studies: [Psychology 9-12](#) standards may provide additional insight and activities for educators.
- TN Sociology: Tennessee Social Studies: [Sociology 9-12](#) standards may provide additional insight and activities for educators.
- FACS: National Standards for Family and Consumer Sciences Education, Second Edition: National Association of State Administrators of Family and Consumer Sciences, [FACS](#).
- P21: Partnership for 21st Century Skills [Framework for 21st Century Learning](#)
 - Note: While not all standards are specifically aligned, teachers will find the framework helpful for setting expectations for student behavior in their classroom and practicing specific career readiness skills.
